JAIDEV EDUCATION SOCIETY'S
J D COLLEGE OF ENGINEERING & MANAGEMENT, NAGPUR
POST: VALNI, AT: KHANDALA, KATOL ROAD, NAGPUR 441501
Website: www.jdcoem.ac.in E-mail: info@jdcoem.ac.in
An Autonomous Institute, with NAAC "A" Grade
Affiliated to DBATU, RTMNU & MSBTE Mumbai
Department of Artificial Intelligence
AAVINYA
SESSION 2026-27

VISION	MISSION
To become a platform for AI discussions, research, and skill development. We aspire to inspire the next generation of AI leaders to drive meaningful AI advancements, contribute to the responsible and ethical deployment of AI technologies for the betterment of society.	To foster collaboration, innovation, and knowledge sharing among AI enthusiasts, researchers, and professionals. We aim to create a vibrant and inclusive community that empowers individuals to explore the limitless potential of Artificial Intelligence while addressing real-world challenges.

Report on

"Engineering Day"

Held on: 15/09/2026

Time: 2:00-3:00 PM

Venue: VS-105, JDCOEM, Nagpur.

Photographs of Event

Rational/Concept of the event:

The event was organized with the aim of celebrating Engineering Day and providing students with a deeper understanding of the significant role of engineers in the development and progress of society. Engineering plays a vital role in transforming ideas into practical solutions and addressing various challenges through innovation, technology, and problem-solving.

The session focused on the importance of engineering in various sectors, the contributions of renowned engineers, emerging technologies, innovation, and the evolving role of engineers in the modern world. It also highlighted the importance of developing technical knowledge, creativity, critical thinking, teamwork, and industry-relevant skills to prepare students for future academic and professional opportunities.

Activity mapping with PO:

PO	PO1	PO2	PO3	PO4	PO5	PO6	PO7	PO8	PO9	PO 10	PO 11	PO 12
Activity	1	1				1	1		2	2	2	

Objectives:

- To highlight the importance of engineering in society.
- To inspire students through engineers' achievements.
- To encourage innovation and problem-solving.
- To promote technical and professional skills.

Modalities:

The event was conducted through an interactive and informative session focusing on the **importance of Engineering in society and technological development**. The session included discussions on the contributions of engineers, innovation, emerging technologies, real-world applications of engineering, and the evolving role of engineers in various fields. Students were encouraged to actively participate through questions and discussions, helping them gain a better understanding of engineering, innovation, and the skills required for a successful professional career

No. of Attendees: Forum In-charge, forum members, students of AI department

Financial implications: As per the approved budget of the Aavinya forum.

Outcome:

- Students understood the importance of engineering in society.
- Students gained awareness of engineering innovations and applications.
- Students were motivated to develop problem-solving and creative skills.
- Students gained awareness of career opportunities in engineering.

Forum In charge **Dept. Head AI**
